

Research / Evaluation submission: Template Submission Guidance Notes

These notes are to help you complete the Research / Evaluation session template that is available from the conference website. The aim of the Research / Evaluation sessions at the conference are to share research or evaluation findings related to social marketing policy projects interventions or approaches, including preliminary results. Papers should also aim to share implications of research for social marketing practice and further research or evaluations. Submissions should be focused on Social Marketing strategy, projects, campaigns, interventions, policy, systems, design and or products; however, they may also be focused on the development of new concepts, ideas or theories related to Social Marketing. The area of study or analysis may concern large scale issues, national or international interventions or smaller local, pilot or developmental projects concerning smaller or more targeted groups. All applications will be peer reviewed and applicants may be asked to provide additional information about the proposed session if the original application is not clear.

- 1.** First please create an EasyChair account for your submission. Note that all author names and contact details will be gathered in EasyChair and should not be included in your submission document to allow for blind reviewing.
- 2.** Please select the 'Research / Evaluation' submission type within the first stage of your EasyChair Submission.
- 3.** Please complete the provided template and upload it as the 'paper' part of your submission within the EasyChair Submission portal. The page limit is five (5) A4 sides (inclusive to the abstract, figures, tables, etc.). PLUS two pages of references.
- 4.** Supporting assets may also be uploaded with your submission if desired such as video or poster content.
- 5.** Further notes against the submission template are presented below.
